

The Waste Watcher's attractive and space efficient design makes it excellent for high traffic areas. It fits neatly beside or under a desk and in tight spaces. The internal bag hooks keep your bag hidden inside looking nice and tidy, and the swivel hook design prevents the bag from tearing. With many lid and size options, this container is extremely versatile.

FLEXIBLE

- Clearly marked lids and labels ensure a quality sort of recyclables and allows easy expansion of your recycling program
- Lids fit other "slim style" containers.

EFFICIENT

- Internal bag hooks keep bag hidden and ensures a tidy look
- Space efficient design for deskside or high traffic areas

Green Choice:
Made with a minimum of
35% recycled content

Various color and label options ensure a clean sort
